Give us hope

Listen to the sound of my voice, can you feel the beat of my heart?
Listen to the questions I have Listen to me
It's all very simple, to see what we need
Give us hope, my voice is calling
Can you see?
Look in my eyes
Can you feel?
My hand is reaching Give us hope and we'll show you the way

Listen to the sound of my voice. Can you feel the beat of my heart?
Listen to the questions I have Listen to me
We are the future, Help us believe
Give us hope, my voice is calling
Can you see?
Look in my eyes
Can you feel?
My hand is reaching Give us hope and we'll show you the way

Take my hand, now look in my eyes Tell me what you see
Give us hope, my voice is calling
Can you see?
Look in my eyes
Can you feel?
My hand is reaching Give us hope and we'll show you the way

Give us hope, my voice is calling
Can you see? Look in my eyes
Can you feel?
My hand is reaching Give us hope and we'll show you the way
Show you the way
Show you the way
Show you the way

See you again

It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you again
When I see you again

(RAP)

Dang, who knew?
All the planes we flew, good things we been through
That I'd be standing right here talking to you
'Bout another path, I know we loved to hit the road and laugh
But something told me that it wouldn't last
Had to switch up, look at things different, see the bigger picture
Those were the days, hard work forever pays
Now I see you in a better place (see you in a better place)

(CHORUS)

How can we not talk about family when family's all that we got?
Everything I went through, you were standing there by my side
And now you gon' be with me for the last ride
It's been a long day without you, my friend
And I'll tell you all about it when I see you again (I'll see you again)
We've come a long way (yeah, we came a long way)
From where we began (you know we started)
Oh, I'll tell you all about it when I see you again (I'll tell you)
When I see you again

(RAP)

First, you both go out your way and the vibe is feeling strong
And what's small turned to a friendship, a friendship turned to a bond
And that bond will never be broken, the love will never get lost
(The love will never get lost)
And when brotherhood come first, then the line will never be crossed

Established it on our own when that line had to be drawn
And that line is what we reached, so remember me when I'm gone

(CHORUS)

How can we not talk about family when family's all that we got?

Everything I went through you were standing there by my side

And now you gon' be with me for the last ride

So let the light guide your way, yeah

Hold every memory as you go

And every road you take

Will always lead you home, home

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again

When I see you again (yeah, uh)

See you again (yeah, yeah, yeah)

When I see you again

ROAR (PRIMA)

(VERSE 1)

I used to bite my tongue and hold my breath,
Scared to rock the boat and make a mess.
So I sat quietly, agreed politely.

I guess that I forgot I had a choice.
I let you push me the breaking point
I stood for nothing
So I fell for everything.

You held me down, but I got up,
Already brushing off the dust.
You hear my voice.
You hear that sound, like thunder, gonna shake your ground.
You held me down, but I got up
Get ready cause I've had enough.
I see it all, I see it now.

(CHORUS)

I got the eye of the tiger, a fighter
Dancing through the fire,
Cause I am a champion, and you're gonna hear me roar
Louder, than a lion
Cause I am a champion, and you're gonna hear me roar
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
you're gonna hear me roar!

(VERSE 2)

you're gonna hear me roar
Now I'm floatin' like a butterfly

Stinging like a bee, I earned my stripes

I went from zero, to my own hero

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

I see it all, I see it now

(CHORUS)

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

You're gonna hear me roar

Roar, roar, roar, roar, roar

(CHORUS)

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

You're gonna hear me roar

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh (yeah)

Oh-oh-oh-oh-oh

You're gonna hear me roar
