

Let It Be (Prima)

When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness she is standing right in front of me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And when the broken hearted people living in the world agree
There will be an answer, let it be
For though they may be parted, there is still a chance that they will see
There will be an answer, let it be
Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be, be
And when the night is cloudy there is still a light that shines on me
Shinin' until tomorrow, let it be
I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, let it be
And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

I'd Like to Teach the World to Sing (Prima)

I'd like to build a world a home
And furnish it with love
Grow apple trees and honey bees
And snow white turtle doves
I'd like to teach the world to sing
In perfect harmony
I'd like to hold it in my arms
And keep it company
I'd like to see the world for once
All standing hand in hand
And hear them echo through the hills
For peace throughout the land
That's a song I hear
Sing it along
Let the world sing today
Over and over
I'd like to teach the world to sing
In perfect harmony
La, la, la, la

To, do, do, do, do, do
La, la, la
I'd like to build a world a home
And furnish it with love
Grow apple trees and honey bees
And snow white turtle doves
(That's a song I hear)
I'd like to teach the world to sing
In perfect harmony
And I'd like to hold it in my arms
And keep it company
(That's the song I hear)
I'd like to see the world for once
All standing hand in hand
And hear them echo through the hills
For peace throughout the land
(That's the song I hear)
I'd like to teach the world to sing
In perfect harmony (Sing it all over)
I'd like to teach the world to sing
In perfect harmony
La, la, la, la
To, do, do, do, do, do
La, la, la
I'd like to teach the world to sing

Forever Country; Huff (All)

Almost heaven, West Virginia
Blue ridge mountain, Shenandoah river
Life is old there, older than the trees
Younger than the mountains, blowing like a breeze
Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
All my memories, they gather round her (If I should stay)
A miner's lady, stranger to blue water (I would only be in your way)
So I'll go, yet I know (dark and dusty, painted on the sky)
I'll think of you every step of the way (misty taste of moonshine, teardrop in my eye)
Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
On the road again
Like a band of gypsies, we go down the highway
We're the best of friends
Insisting that the world keep turning our way
And our way

Country roads (country roads), take me home (take me home)

To the place I belong

West Virginia, mountain mama

Oh, take me home, country roads

Oh, I hope life treats you kind

And I hope you have all you've dreamed of

I wish you joy and happiness

But above all this, I wish you love

And I will always love you

I will always love you

Country roads

Take me home, country roads (and I will always love you)

On the road again (I will always love you)

I just can't wait to get on the road again

Country roads

The life I love is makin' music with my friends (I will always love you)

I can't wait to get on the road again

Take me home, country roads

I will always love you

I'll always love you

Bridge Over Troubled Water, Shaw (All)

When you're weary

Feeling small

When tears are in your eyes

I'll dry them all

I'm on your side

Oh, when times get rough

And friends just can't be found

Like a bridge over troubled water

I will lay me down

Like a bridge over troubled water

I will lay me down

When you're down and out

When you're on the street

When evening falls so hard

I will comfort you

I'll take your part

Oh, when darkness comes

And pain is all around

Like a bridge over troubled water

I will lay me down

Like a bridge over troubled water

I will lay me down

Sail on silver girl

Sail on by

Your time has come to shine

All your dreams are on their way

See how they shine
Oh, if you need a friend
I'm sailing right behind
Like a bridge over troubled water
I will ease your mind
Like a bridge over troubled water
I will ease your mind
